HUM@N

Digital Transformation in Humanities

Digital Transformation in Humanities **HUM@N** Erasmus+ project teaching and training activity.

The training event will last 3 days **from the 5th to 7th of October 2021 in Cyprus**, and will mix traditional teaching elements, such as presentation and lectures, with interactive moments, individual and collective use of the HUM@N platform, informal learning activities and work-groups.

The overall scope of the training is to train higher education teachers and educators:

- to apply the HUM@N overall strategy and methodology;
- to understand the process of teaching humanities through digital tools.

After the completion of the training course, the participants are expected to:

- have a deep understanding of the theory and policy background information;
- be able to develop their own teaching strategy;
- have the knowledge and tools necessary to improve their class performance.
